

ACT NOW!

Avoid Chip Card Errors!

BFS offers the S | M | A | R | T Cleaning Card featuring Waffletechnology®.

The stronger, custom engineered material conforms to critical EMV surface areas while also reaching more of the device interior.

The **GOLD STANDARD** for
all Chip & Pin, EMV and
Mag Stripe Card Readers!

Poorly maintained card readers contribute to:

- Failed transactions
- Card reader errors and rejections
- Extended transaction times
- High fall back rates
- Increased service calls and cost
- Customer frustration
- A poor customer experience

BFS offers these superior single-use cleaning cards in a package of 10 or in a box of 50 for your convenience.
